Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant noted that page 3 of the Office Action mailed 7/23/02 (Paper No. 17) contained a sentence fragment in the next to last paragraph of section 9 and inquired if a portion of the Office Action was missing. Examiner reviewed the file, also found the sentence fragment in the file copy. However, the fragment appears to have been inadvertently left in the section 9 and does not modify the rejection of record. Both the file and Applicant's copy are complete.
